Our Vision

Through LCOS all come to know the unconditional love of God, grow in their faith, and share their love and faith with others.

Our Mission

That all may experience the love of Jesus Christ, we reach up through worship celebration. We reach out by sharing our faith. We reach in through prayer and study.

Jesus May Not Stay Where We Left Him

Submitted by Pr. Stephen Kauffman

On that first Easter Sunday Mary Magdalene and the other Mary visits Jesus' tomb. As they approach the tomb, there is an earthquake, and an angel rolls the stone away and sits on it!

“Do not be afraid; I know that you are looking for Jesus who was crucified. ⁶He is not here; for he has been raised, as he said. Come, see the place where he lay. Then go quickly and tell his disciples, ‘He has been raised from the dead, and indeed he is going ahead of you to Galilee; there you will see him.’ This is my message for you.”

Even for those of us who can understand the women’s circumstances should admit one indisputable fact. They, like all the others, believed death had won the day. They expected that Jesus would be tucked safely in the tomb, just where they left him three days ago. And you know, even among Jesus’ followers today, this kind of thinking is all too common.

We expect Jesus to be where we last left him. We believe in a Jesus that fits into the narrow confines of a tomb, a Jesus that doesn’t have a new word for our day, a Jesus who has stopped speaking.

My brother and I looked forward to an Easter basket hunt every year at sunrise. Before Easter Sunday worship, we would roll out of bed and follow “clues” which would lead us to our candy filled baskets. One year we looked and looked, only to find our baskets in the dryer and washing machine!

We were looking in all the wrong places!

That is true today. The women were looking for Jesus in all the wrong places. The resurrection of the dead, Easter, upsets and upends all expectations.

Jesus goes ahead of us, embracing us in good and bad times, promising he will be with us always.

Blessed Easter!

President's Report

Submitted by Sara Berge

Happy Spring!

We are midway through the season of Lent – a time where we talk about walking through the wilderness and preparing for the death and resurrection of Jesus. I recently found a weekly devotional resource from the ELCA. The first week's reflection focuses on isolation vs. community. Jesus faced temptation while in isolation of the wilderness. When he left the wilderness, he immediately sought out the community of Galilee. The idea of isolation vs. community resonates with me when I think of the work we are doing at LCOS.

The community at LCOS is one of the things I love most about our church. Each Sunday when it's time for sharing of the peace, we are out of the pews striving to greet as many people as possible. Fellowship hour and groups like LAFFS give us the opportunity to connect with each other and share our joys and sorrows. We come together to care for our campus for work days, we volunteer to provide for our neighbors through the food bank and portico ministries, and we gather together to study God's word in Bible Study and weekly worship. None of this could be accomplished by one person or by people working alone.

In 2025, the council is focused on building up our ministry areas. We have 10 mission areas: Governance, Worship, Stewardship & Financial, Technology, Education, Outreach & Evangelism, Care, Property & Maintenance, Fellowship & Hospitality, and Social Media. Members of the council are serving as leads for each area, but we need to work together as a congregation to build up all these areas. Please consider joining a team that matches your interests and talents within one of these areas. Many hands make light work and we are more successful together than in isolation.

Treasurer's Report—March 2025

Submitted by Kristi Saligame

February Review:

Church **income** in February was **\$20,527**, below our budget of \$27,609 but ahead of last year's result of \$18,811.

- Member Giving was \$16,655, above our budget of \$15,082 and year-ago giving of \$13,709.
- We used \$320 in Designated Funds (Fellowship Fund) in February. Our budget for the month included use of Designated Funds of \$9,000 for facilities repair/improvements.
- Facilities/other income in February was \$3,552, vs. \$2,942 in the year-ago period.

Church **expense** was **\$19,075** in February, vs. \$18,589 a year ago and our budget of \$31,242.

- In February, we set aside \$2,000 in funds toward future Pastoral Call/Compensation costs.
- Our budget for the month had included about \$12,000 in Facilities Maintenance expense; those projects will wait until a little later in the year.
- All other expense items were in line with expectations.

LCOS recorded a **net gain** of **\$1,452** in February.

Year to Date:

Month/Q	Current Year Results			Year-Ago Results		
	<u>Income</u>	<u>Expense</u>	<u>Difference</u>	<u>Income</u>	<u>Expense</u>	<u>Difference</u>
Jan	\$19,232	\$20,710	(\$1,478)	\$16,375	\$16,954	(\$579)
Feb	\$20,527	\$19,075	\$1,452	\$18,811	\$18,589	\$222
Total	\$39,759	\$39,786	(\$27)	\$35,185	\$35,543	(\$357)

Reflections:

Our Stewardship campaign took place in February, with a theme of "Sharing God's Blessings!". A huge "Thank you!" to the Stewardship team and to the households who pledged support for 2025. We received initial pledges of \$143,000 for the year, about the same amount that was pledged for 2024.

Regular membership giving represents about 60% of our budget, or \$198,101 of our 2025 Spending Plan of \$331,834. For perspective, total member giving to the General Fund in 2024 was \$193,033 (well above what was pledged).

Your gifts of time, talent, and resources are such a blessing! Please continue to keep the mission and ministries of this church in your prayers. Thank you for your ongoing, faithful support of the Lutheran Church of Our Saviour. 😊

Facility & Grounds

Submitted by Barbara Beauregard

Spring has arrived, at least in this part of the country, with signs of spring everywhere! Some of the plants are starting to put out new growth, some are even blooming and even the grass is a little greener. I hope you noticed the flowers in bloom in the Memorial Garden? (Pictures below.) A good Samaritan planted those, and you all are welcome to do the same.

In fact, there are several planting areas along our entry area: (the garden along the walk, planting around the tree, the little area by the office door) and a bit of color looks wonderful. Just as a reminder: Did you know April 22 is Earth Day where we should do something nice for the Earth. All are welcome to stop and smell the flowers, and maybe pull a weed or two. With Palm Sunday and Easter arriving in a few short weeks, it would be nice to add some colorful flowers and mulch!

Facility and Grounds has been looking into projects that LCOS needs: the 4-ton A/C unit that cools the rooms across the front of the church hasn't worked or been needed in years, but with that large room becoming the only gathering/meeting space, we will need it cooler when the summer heat hits! The wood fence across the back of our property wasn't in the best of shape and Hurricane Milton finished it off. Ernie has removed all of it and it's now waiting for a trip to the dump. We have a chain link fence behind the wood fence, but it has taken a beating from our back neighbors who do not want to walk around Webb Road and have managed to completely crush our fence at the corners so they can just walk through, and they do because I was back there and 'spoke' to one that I watched walk through! Code Enforcement has been called regarding the huge pile of debris that was piled up against our fence. Our next item is painting the 4 buildings. That has been on our list for awhile, but other things came up that were more important at the time. However, there are a number of repairs that need to be done before we can paint; the base of the columns along the walkway is a major item.

Before Palm Sunday, or at least before Easter, we'd like to get the lights back in place over the altar. That requires a large articulating boom truck to reach over and up to those fixtures. The design of this building was never to include repairs, I guess! Just hope we have a much calmer/milder hurricane season this year. Milton had this building rocking!

Yes, this sounds like a lot of projects and hard work, but the reward is we are still here and thriving. It wasn't but a few years ago when we had a For Sale sign in our front yard, to sell our back lot, thinking it was our only hope to continue here. God works in many ways, setting us on a new path, and here we are! Blessings to all who helped make LCOS continue its work in Town N' Country.

Kaye Prox Foodbank

Submitted by Kristi Saligame

Kaye Prox Food Bank is 100% run by community volunteers. We host 3 distributions, serving over 300 families each week, on the campus of LCOS. We are a partner agency of Feeding Tampa Bay (FTB).

Community Support:

- **Neighborhood Churches** – Significant financial support, and many of our volunteers, come from First Reformed, Incarnation, and Wesley Memorial.
- **Tampa area Lutheran Churches** provide regular support, including Grace and Messiah, and Atonement, who recently gifted us their cargo van.
- **Village Inn** provided over \$1,000 in support to us last year. Please bring us your receipts!

From April 11th through the 16th, we will distribute **Easter 2025 meal kits** to our clients, including:

- Small hams, pork roasts, whole chickens
- Boxes, scalloped potatoes
- Canned vegetables
- Canned fruit cocktail (15 oz.)
- Boxed cake mixes
- Decorative paper plates, napkins
- Bags of jellybeans/Easter candies

Volunteers are at the food bank on Wednesdays/Fridays from 10 am – 12 noon and on Thursdays 12-1:30 pm to receive donations. Donations can also be received after worship on Sunday. Items are needed by Thursday, April 10th.

The food bank will be closed for the holiday on Good Friday, April 18th.

On behalf of our volunteers and our clients, we thank you for supporting the food bank! Please follow us at <https://www.facebook.com/KayeProxFoodBank/>

LCOS Ministry Areas -a continuation of 2024 Priorities

Submitted by Pr. Stephen Kauffman & Deacon Steve Smeach

Mission Teams in 2024

At the beginning of 2024, our church council began to re-evaluate our mission teams and initiatives, using a questionnaire developed by Pastor Steve and Deacon Steve. The result was a published report, "2024 Priorities" which was published in a previous Newsletter article.

Ministry Areas in 2025

At its January 2025 meeting, our church council continued this work by adopting a new way of identifying our ministry efforts. We now recognize ten "ministry areas." More importantly, each council member has agreed to take a leadership role to encourage and maintain our key teams. A "ministry area" is simply a broad category of similar activities. Taken as a whole, the council believes that these ten ministry areas cover most of the work that is needed to accomplish our values and mission and the work God wishes us to accomplish at LCOS. Our mission and vision are listed on page two of this (and all) newsletter(s). These ten areas, the people taking ownership of these areas, and examples of key tasks within each area are listed in the table below:

Ministry Area	Area Lead(s)	Examples of Key Tasks/Teams
Care Ministry	Lynne O'Reilly & Steve Smeach	Lay Pastoral Care Team
Education Ministry	Don Richardson	Adult Bible Class
Fellowship & Hospitality Ministry	Fran Palermo & Steve Smeach	Fellowship Dinners Hospitality Coffee Hour, Greeters
Governance & Administration Ministry	Sara Berge & Pr. Steve Kauffman	Council Orientation Office Activities
Outreach & Evangelism Ministry	Sharon Rozell & Danielle Kearney	Yearly Stewardship Activities Community Activities
Facility & Grounds Ministry	Barbara Beauregard & Mike Watson	On-going Building Maintenance, Annual/Semi-Annual Volunteer Workdays
Social Media Ministry	Kristi Saligame & Steve Smeach	Facebook & Website
Stewardship & Financial Ministry	Kristi Saligame & Charlie McCoy	Financial Planning & Accounting
Technology Ministry	Steve Smeach	LCOS IT planning
Worship & Music Ministry	Gail Smeach	Choir Ushers, Altar Team, Acolytes

Ministry Area Lead Responsibilities:

A council Ministry Lead is not expected to do all the work in any ministry area, but rather is expected to:

- develop and support teams in his/her ministry area
- routinely liaison between council and teams to communicate, support, and represent to Council the needs of teams in his/her area
- bring Team Leads to council quarterly
- have teams author annual reports

Establishing Ministry Areas:

The first steps for most of these ministry areas have already been accomplished:

Confirm definition of the ministry area (what is in and not in an area)

Clarify what teams are already operating well

Next steps will be to clarify what teams need to be re-established or new teams need to be started. In this process, Ministry or team leads will be approaching congregation members to help, so please be open to more involvement.

Remember that our congregation most likely will not be able to afford a full-time pastor for a while and that the clock is busily ticking away on Pastor Steve's two-year commitment to us. As we continue with our part-time pastoral support, it is we, the congregation, who will have to pick up some tasks that a full-time pastor might normally do. Getting us organized to identify and keep our volunteer teams vibrant is almost a necessity!

Work in Process:

Ministry Area Leads are busy setting several key goals to accomplish in 2025.

It's been encouraging to see our **care mission** accomplished by a small but very faithful **Lay Pastoral Care Team** reaching out to sick and shut in members of our congregation on a weekly basis and to enjoy regular **fellowship** coffee hour opportunities after worship each Sunday. Efforts are underway to re-establish our **greeter program**. The **Evangelism/Outreach** teams led by Sharon Rozell and Danielle Kearney are looking at a wonderful event to invite the community to join LCOS for an Easter Egg hunt the week before Easter, following up with an invitation to join the congregation for Easter Sunday worship.

Food Bank leader Kristi Thiese is looking for more volunteer help in this growing ministry centered on the LCOS campus.

There is growing participation in **worship planning** and leadership and in the choir. If you feel the desire to volunteer as a reader or worship assistant, please contact either Gail Smeach or Music Director Naoko Okada. We currently need crucifers, acolytes and banner bearers (perfect jobs for our young people). The role of **ushers** is being updated.

Behind the scenes, volunteers are collaborating with Deacon Steve, Kent Chetlain, Heidi Richters, and John Major to improve our **use of technology** on Sunday mornings and during the week. New Sunday morning projection volunteers are needed. Kristi Thiese is leading **Social Media** ministry. The technology team is moving closer to implementing non-profit MS Office on all PCs purchased last year. The **technology** team has produced the first draft of a Basic IT Training course for LCOS Volunteers and is reaching out to our vendor to address our on-going audio issues.

Future Steps:

We are looking forward to a **Ministry Fair** in the fall. Following worship, our ministry leaders and teams will be available in Luther Hall to share their work and invite new volunteers to join them. God is working among us at LCOS in new and exciting ways! Leadership is inspired and reaching out to share their enthusiasm with others. Please actively support our church council as they identify, implement, and support these ten ministry areas! When asked, please say yes and join our growing number of volunteers sharing their faith in word and deed!

Fine Tuning Worship and Music

Submitted by Gail Smeach

A recent goal of the Church Council is to have one or two Council members be a liaison to each Ministry of LCOS. I have the great opportunity to be the “Council Liaison” for the WORSHIP and MUSIC MINISTRIES. So, who are these church volunteers or personnel that make certain that you have a smooth functioning and fulfilling Church Service every Sunday and Special Holidays? You’d be surprised how many there are.

PASTOR STEVE and GINNIE BERGE work on the BULLETIN weekly. Pastor discusses and chooses the music choices with NAOKO OKADA HILL, our Music Director.

NAOKO OKADA HILL as our MUSIC DIRECTOR, is responsible for the beautiful music heard before the Service begins, while we prepare for worship. Naoko is also our organist, pianist and Choir Director. She organizes soloist, the Bell Choir, instrumentalists. She also coordinates special music presentations, such as anthems or seasonal pieces. CAROLYN KUNZMAN is the Music Librarian and she is often assisted by DELLA GRISCTI in organizing and going through decades of old music, up in the Music Library and Robe Room in the Choir Loft.

The A/V TEAM is responsible for information up on the screens. KENT CHETLAIN has recently taken over the responsibilities of the team. Thank you to LYNNE O’REILLY for her many years of leading this dedicated group. During the week one of them enters into the computer the entire Service. On Sunday another member runs the computer up in the Choir Loft. The computer system was replaced last year with much of the work to get things running smoothly done by DEACON STEVE.

The PARAMENTS are changed per Liturgical Season usually by BARBARAS BEAUREGARD with me as her back up.

In the pew you will notice an attendance book and supplies in the little shelf in front of you. LINDA DILLINGER makes sure the pencils are always sharpened, the envelopes and attendance book are always filled. Linda also makes sure the “Prayer Candles” are always in stock and the burnt ones replaced each week. Linda has been volunteering for this Ministry for many years and I think perhaps she is ready to train a new person to replace her duties. Thank you Linda for your many years of dedication. Please see Linda if interested.

CHERRI KRALL has volunteered to train and organize the ACOLYTES and CRUCIFERS. She has already been busy training. Our hope is to go back to pre-Covid robbing. There is a sign up sheet in the Narthex on the long wood table by the balloons or see Cherri if interested.

The BANNERS are changed per season by CHUCK and KAREN URBAN. Chuck just recently made special poles to take down and put up the banners. This is so much safer and easier than getting

up on a ladder! He and Karen also just bought several new posts for the banners. Thank-you.

MARTIN STEWART heads up the USHERS who bring the gifts to the Altar and guide people up to the Altar for Communion. You can sign up on the same sign up sheet as above. More ushers are welcomed.

Each week the Communion Cups and Chalices are filled by DANIELLE KEARNEY and BARBARA BEAUREGARD when Danielle out of town.

FRAN BEAUREGARD organizes the COMMUNION ASSISTANTS. Again the above mentioned sign up sheet is in the Narthex.

Our LITURGISTS are quite well organized by DEACON SMEACH. There are opportunities to be a substitute LITURGISTS. See Deacon Steve or put your name on the sign up sheet below the Liturgist list.

BARBARA BEAUREGARD organizes and orders the Christmas Poinsettias and Easter Lillies. I take care of the Floral Arrangements and any Special designs.

Outreach Ministry

Submitted by Danielle Kearney

Free Bibles

Thrivent Financial has approved an action team event for the purpose of purchasing Spanish and English Bibles. Once purchased, the bibles will be placed on the table in the narthex. The bibles are free of charge to all people in need of one.

Baskets of Love

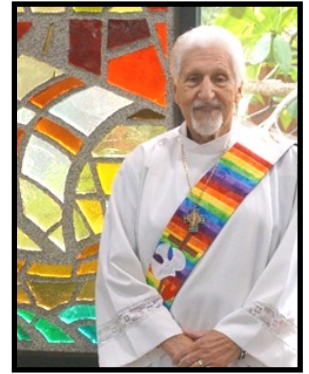

Lutheran Services Florida (LSF) will, once again, host the "Baskets of Love" event to help struggling mothers, foster parents, and at risk children. The drive will start late March and end in May. The following items are needed:

- Diapers
- Wipes
- Pack 'n Plays
- Car Seats
- Baby Bottles

A laundry basket for donations will be placed in the narthex starting March 23rd. May we all respond generously to this opportunity of care and love. Thank you.

Mission Team of the Month—Lay Pastoral Care Mission Team

Submitted by Steve Smeach

The Lay Pastoral Care Team currently consists of seven congregation members plus Pastor Stephen Kauffman. Carol Cousins serves as our team advisor.

By weekly telephone calls or visits, the mission of the team is to provide for the emotional, spiritual, and sacramental needs of congregational members who are ill, hospitalized, in a care facility, or are unable to come to church for worship. Generally, our pastor provides communion, but we are all trained to do so.

Any LCOS member may request members to be added to our contact list by speaking with Pr. Steve Kauffman or Deacon Steve Smeach. Those whom we serve sometimes discuss issues that we consider confidential. Hence, we do not share detailed information with the congregation at-large unless specifically approved to do so by those we serve.

We do not serve individuals who are able to attend LCOS worship services, drive care receivers to doctor appointment or any other transportation requests, and we do not provide meals.

Members of our team include:

Angela Padin	Heidi Richters	
Danielle Kearney	Rick Padin	
Diana Meehan	Deacon Steve Smeach	
Gail Smeach	Pr Steve Kauffman	Advisor: Carol Cousins

The team meets every other month. At that time we discuss ways to better serve our shut-ins and pray individually for those on our bulletin prayer lists.

Congregation members can ask to have themselves, family, friends, or military individuals placed on our lists by contacting Deacon Steve Smeach or by filling out a request form found in the bulletin. In order to keep our prayer lists current, we ask members to identify who is making a request. Our general rule is to contact the original requestor after two months, to see if continued prayers are needed.

For July, August, and September, the team will adopt an every-other week call/visit schedule. If you have a desire to provide caring affirmation of our God's love and compassion, we could certainly use your help!

WHY "ASH" WEDNESDAY?

Submitted by Karen Urban

Ash Wednesday is the first day of Lent - a 40-day period of prayer and self-examination in preparation for Jesus' death on the cross for us, the undeserving.

Ashes are usually made by burning the palms from the previous Palm Sunday and mixing with oil. Since the 11th century, the ashes have been placed on the forehead in the shape of a cross with the words from Genesis 3:19 "you are dust and to dust you shall return." This is to remind us of the shortness of human life and the need for reconciliation with God.

"The ashes mean I'm a sinner. The cross means I have a savior." —Fr. Mike Schmitz
